

Community Support Collaborative

CSC IS DESIGNED AROUND YOU!

Services are provided based on your individual needs, and are proven to foster positive lifestyle outcomes, including improved:

- Physical Health
- Mental Health
- Ability to Live Independently
- Financial & Money Skills
- Employability
- Sense of Self & Resiliency

Important Note: If you are on the waiting list for Federation Housing, this opportunity is 100% optional, completely voluntary, and in no way influences your application for housing with Federation Housing, Inc.

Community Support Collaborative (CSC) offers ease of access to a variety of services by bringing together multiple local agencies to provide holistic support for the individual.

One point of contact connects you to many organizations who can help address your unique needs in working towards stabilization.

CSC services are flexible and are offered one-on-one via Zoom, phone, or in person.
